HOST Self Bunded Storage Tank Cubes

Enjoy a smaller tank footprint, without compromising on performance and quality.

Liquip Victoria's HOST Self Bunded Tank Cube Series, are designed for smaller to medium volume fuel storage solutions, offering a smaller tank footprint whilst still supplying an effective fuel dispensing system. Each of the tanks in the series can be fitted with a range of pumping solutions, with the choice of the following flow rates:

- ▶ Off Grid Solar Powered – up to 80 L/pm
- ▶ Mains Power 240V or 12V – up to 100 L/pm
- ▶ Pump Fuel Management System
- ▶ Diesel or ULP Pump Packages
